One of the worst HOGs I've had the misfortune of playing. Rife with objects that make no sense, objects that exist multiple times in a scene but of course only one is accepted, time limits, objects that cannot even be distinguished even after a clue, etc.. Boring beyond beleif. Compared to the first one this is a lot better.

Pros:

Lot's more hidden object scenes.

Cons:

Puzzles are pretty much guessing and frustration.

The Fishing game was just ridiculous.

Still a very short game.
